The assessment of the organisations is strictly based on documents provided. It is possible, therefore, that some organizations may have been left out because they have not submitted papers in support of their claims.

The State Governments / Urban Local Bodies should undertake transparent and due process in selection of organisations along with assessment of technical capacity. The above list is only facilitative in nature and does not bind the State Governments or Urban Local Bodies in any manner. Further, the serial numbers of the organisations do not indicate order of merit. Supplementary list, if any, shall be communicated separately.
