Comprehensive Capacity Building Toolkit, JnNURM

Frequently Asked Questions(FAQs)

i. **Can the funds allocated for each activities at ULB and State level be changed?**

No, the budget allocated for a particular activity cannot be interchanged.

ii. **Would 1% A & OE be given separately or be part of the State Action Plan?**

The 1% A & OE given in the toolkit would be part of the State Action Plan and not over and above the Action Plan

iii. **What would be the criteria for picking up the Urban Local Body for the establishment of RPMCs**

Urban Local Bodies as notified under the relevant State law are eligible to establish RPMCs.

iv. **Can the cities selected to establish RPMMC be changed midway?**

No change of cities during midway can be made as the support is for four years to same cities.

v. **What is the last date for submission of State CB proposal?**

The last date for submission of CB proposals is 30th September, 2013.

vi. **Is there a GO for the constitution of Steering Committee at State level by MoUD?**

No. MoUD would provide a suggestive list. However, the State can decide on the composition of the committee as per the State specific requirement.

vii. **Whether RPMC can be established in the ULB which comprises of the Cantonment area?**

If the ULB is notified as per Rules, then the same can be done.

viii. **Whether the other ULBs (apart from the 375 selected for establishing(RPMC) can access CB support?**

Yes, other ULBs can access all the activities under the human resource development component such as training programmes, exposure visits and research activities as mentioned in the CB toolkit after appropriate approvals.

ix. **As per the provision in the toolkit for strengthening of ATIs through the establishment of Urban Management Cell (UMC), can SUDA be taken up if the main research work with respect to urban development is being done by any other agency?**

The State is free to make that the Nodal research and handholding agency and incorporate it in the Action Plan accordingly.
